Burkina Equipements offers: machines, gensets, lift trucks and compressors.

**Burkina Equipements :**  
**Your key partner in Burkina Faso**

## WHY RENT?

### To grow your business:

By reducing your investments, you can use your capital to develop your activities and optimize your borrowing power.

We assist you in fulfilling the needs of several markets at the same time. It is up to you to diversify and respond to temporary peaks in activity.

### Control your expenses:

Our hourly costs are all-inclusive, all you have to do is fill up with fuel! Renting frees you from the cost of repairs and unscheduled maintenance, so that you are in complete control of your operating costs.

### Complete your projects on time:

Our fleet consists of recent and reliable equipment, maintained in strict accordance with Cat standards.

You are therefore guaranteed the use of reliable machines, at 100% of their capacity, driven by experienced operators.

**«Renting helps you  
focus on  
your core business»**
